

Responding to the Needs of NH's Elderly

Catholic Charities New Hampshire recently acquired The CareGivers, Inc., which provides transportation, groceries and other forms of vital aid for the homebound and disabled across the Greater Manchester and Nashua areas. Now an official program of Catholic Charities, The CareGivers builds on our commitment to protect and support the needy and vulnerable throughout New Hampshire, including hundreds of the senior citizens living in isolation and loneliness, unable to do something as simple as driving to the doctor's office or getting their food for the week ahead. For more information on TheCareGivers, visit caregiversnh.org.

Volunteers Needed! Caring Rides

Caring Rides, a program of The CareGivers, is seeking volunteers to meet the increasing need for rides to medical appointments and other essential errands for homebound senior citizens across New Hampshire. Volunteering is easy and only takes a couple of hours of your time to make a life-changing difference! For more information on how you can get involved, call Ryan Noronha at 603-663-0223 or visit CaringRides.org.

14th Annual Mardi Gras Gala Sets Record

February 9 was a night to remember as the 14th Annual Mardi Gras Gala raised more than \$186,000 to support individuals and families in need across the state.
